ndis REGISTERED PROVIDER

The NDIS can provide all people with disability with information and connections to services in their communities such as doctors, sporting clubs, support groups, libraries and schools, as well as information about what support is provided by each state and territory government.

As an NDIS Registered Provider NBCS believes everyone has the right to live a fulfilling life that is not defined by disability. We are a locally operated Service Provider which takes great pride in servicing the North Burnett area.

Of you have any questions regarding the NDIS and how NBCS can assist you please call us on

Sustainability CORNER

BE A PART OF THE PLASTIC FIGHT

With an annual production of more than 300 million tons, plastic is one of the most widely used materials in the world.

What often escapes one's attention is that the plastic is used for its main purpose for only a moment compared with its lifecycle of 20 to 500 years. Lightweight and designed to last, the discarded pieces are easily transported to ecosystems through the forces of nature causing serious threats to migratory species around the world.

Have you ever found a bird's nest where a part of it was made up of plastic? If you could make one change this month in a move towards more sustainable living we encourage you to stop using single use plastic. If everyone made this one small change the we could protect species for the future. Without change habitats will continue to deteriorate and become inhabitable.

APRIL

25 people came to the Bingo morning held in April. Everybody had a ball playing Bingo and having a laugh. There were some great prizes won and yummy morning tea.

Hop Movie morning was held during the Easter School holidays to provide family friendly entertainment. It was enjoyed by young and old!

MAY

Our Annual Volunteers Luncheon was held 22nd May. It was a great opportunity to thank the many wonderful volunteers who assist us to provide valuable services to our community.

North Burnett Patient Transport Service

Volunteer drivers are available for travel from Mundubbera, Eidsvold and Gayndah for **medical appointments only**.

Simply have the Drs Surgery complete the necessary paperwork, bring to NBCS for authorisation and we organise the driver.

LILY'S BLOG

My name is Lily Carlyon and I'm doing work experience at NBCS. I am a student at Burnett State College in Gayndah.

I was born with Cerebral palsy. Cerebral palsy affects your muscles and how they make the joints move. Some people are unable to even get out of their wheelchair. It can also affect your speech. Everybody with cerebral palsy is different.

Likes: Interacting with different people in the community, watching romantic comedy movies with my friends and family, playing games, shopping and visiting parks

Favourite subject: English
